AVAILABILITY: Sheet

LOCATION: Millennium Stadium, Cardiff,
South Wales

At the prestigious Millennium Stadium in Cardiff, Polysafe Strata has been specified within tunnel entrance and stairway areas to give continued safety performance to stars of the sporting world. Regularly subjected to high footfall across the floor including users with studded footwear, as well as contamination brought in from the outside, Strata's concentration of aggregates throughout the vinyl means slip resistance is sustained and product durability is ensured for years to come.
